BUSINESS JOURNAL

Chamber seminar to highlight background checks and effective ways to protect your business

With more attention being given to the potential liability exposure of companies in relation to possible negligent acts, companies must be able to demonstrate a reasonable effort at verifying information as part of an effective risk management program.

Focusing on ways to screen new hires, clients and vendors and legally implement policies while ensuring privacy, a luncheon seminar on *Background Checks: Protection from the Potential Pitfalls of Acquiring Information* is set for Tuesday, March 14, 11:30am-1pm at the Chamber, 1725 Eye Street.

Guest speakers **Chuck McGowan**, California Credit Information Solutions, Inc., and **Bruce Scheidt**, attorney with Kronick Moskovitz Tiedemann & Girard, will present ways for you to develop a strategic, organized plan for evaluating new hires, employees, customers and vendors; acquire objective and reliable information through effective screening; and conduct investigations within required privacy parameters.

Cost to attend this valuable session, which includes a boxed lunch, is \$20 per Chamber member and \$30 for non-members. RSVP online at www.bakersfieldchamber.org in the Members Only section or call 661-327-4421.
